ACS TOGETHER

THE WORLD NEEDS NEW THINKING. GET READY.

 **READY TO
PERFORM**

At ACS Egham, we're committed to inspiring and nurturing the next generation of global thinkers and doers.

WELCOME TO THE ACS EGHAM COMMUNITY

We are a global community of over 26,000 alumni and friends.

Whether you are a current or former parent, student, member of staff, friend, or partner of the school, we welcome your participation as a member of our growing international community.

WE REACH OUT

to engage, reconnect and build relationships

WE CONNECT

our international community and develop our alumni and friends network

WE INFORM

through communications and raising awareness

WE ASK

for support to make a philanthropic impact

ACS Charity – Our Role, Our Work

ACS International Schools became a UK registered charity in 2018, as per our founders' wishes. The aim was to provide an exceptional educational experience through international teaching, world-class facilities, life-changing bursaries and partnerships. Our founders envisioned a collaborative and exploratory environment where our students and the community are inspired to forge a positive future for all.

That's why we're dedicated to providing a genuinely international high quality education centred upon global competence, cultural dexterity, and a holistic understanding of community.

Building a community such as this depends, in part, on the benevolence of our entire ACS community and we invite you to join us in helping to shape the future of our great school.

Since 2018, parents, former parents, alumni, and staff have helped us achieve:

£2.5M RAISED

invested in creating inspirational spaces, supporting brilliant teachers, financially assisted bursaries and scholarships

£5M INVESTED

in financially assisted places

>90 STUDENTS

have had access to an ACS education supported by a financial award

1.6 million partnership engagement hours

PROJECT INSPIRE

The name of our future vision Project Inspire aims to build an enhanced suite of specialist teaching spaces across the school to support our students in their future careers and enable the wider community and our partner schools to benefit.

Together, we can create a meaningful and lasting impact.

PARTNERSHIPS

At ACS Egham, we collaborate with wider communities to build mutually enriching, long-lasting partnerships, ensuring that young people have access to the highest quality learning across the region. Working closely with partner schools we provide access for students to an enhanced education and for teachers to develop teaching excellence, support that is otherwise not available to them, connecting thinkers and doers and inspiring the next generation to succeed as one.

ACS NETWORK

The ACS alumni office has access to a pool of experienced professionals who provide guidance and potential job opportunities to current ACS students, recent graduates and those taking their first steps in their chosen career.

Can you help?

We are always on the lookout for individuals to step forward, get involved and offer their expertise to members of our community. If you are able to offer work experience, advice or become a mentor, please contact acsalumni@acs-schools.com

Alumni Community

We are proud of our vibrant global community of alumni, former parents and former staff members and are delighted to share some of their stories to inspire our current cohort of students. We regularly welcome our alumni and friends back to school for events and reunions throughout the year.

Reunions/Events

In a normal year, we would host a number of events and activities to connect and engage our community.

Examples include:

- London professional networking events
- New York alumni socials
- Houston alumni socials
- Golf days
- Gala dinners
- Anniversary reunion homecoming weekends
- International family fun days

Overseas Community

The ACS community is spread around the globe. From New York to New Zealand, there are members of the community in most continents either working, with their families or enjoying a well-earned holiday.

We have ongoing city socials in New York, Houston and London and are planning to arrange future gatherings in San Francisco and Florida. Furthermore, we will be extending our efforts to host events in various other international cities.
